Members of the public are advised to continue observing the guidelines to prevent the spread of COVID 19. These are:
“¢ Frequently wash your hands with soap and water, or sanitise hands using alcohol based hand sanitisers
“¢ Cover your mouth and nose with a tissue when coughing and sneezing and dispose of the tissue in a bin, then wash your hands. Alternatively you can cover your nose and mouth with a dab.
“¢ Practice social physical distancing. Keep between 1 and 2 meter distance from others.
“¢ Avoid gatherings. Follow the regulations to not socialize in a group consisting of more than 4 people in public places. Keep in touch with family by telephone instead of going for a visit.
“¢ Avoid going out unless necessary. Source: Department of Health, Seychelles.
